

Dear Canada Winter Games Coaches, Parents, Guardians, and Athletes,

Team NT's goal at the 2019 Canada Winter Games and in all aspects of sport is to provide strong, positive leadership that models fair and respectful behaviour, is inclusive, and provides an environment free of abuse and harassment for all participants.

Team NT believes athletes are to be judged solely on talent, heart, desire and work ethic, and not on the basis of sexual orientation or gender identity.

One way Team NT achieves this goal is to provide each team member with a T-shirt delivering the message that "Sport is for Everyone" – promoting our core values of inclusion, equality, and respect in sport.

The shirt being distributed to all team members features the Team NT logo in rainbow colours on the front, and our commitment "If you can play, you can play" (taken from the You Can Play movement) surrounding the Sport North Federation logo on the back. For more information on the You Can Play Movement check out our link: <https://www.sportnorth.com/team-nt/you-can-play>

In support of Team NT's commitment that "Sport is for Everyone," we ask that you stand together and wear the shirt in proud support of every fellow team member on each Wednesday of the Games.

Yours in Sport,

A handwritten signature in black ink that reads "B. Othmer". The signature is written in a cursive, slightly slanted style.

Bill Othmer  
Chef de Mission - Team NT  
2019 Canada Winter Games
